Bonnie O'Neil **Class Schedule** **February 2010**

Monday, Feb. 1 **Diamond Technique Studio** **$15**
There are so many different techniques hiding away in the Diamond … learn how to really put this machine through its paces! Machine limit is 12, so sign up early. Class time 9:30 a.m. to Noon.

Tuesday, Feb. 2 **Digitizing Dynamics** **$20**
Learn some of the "rules" behind good digitizing – and then learn how to break them! We'll be working in 4D Design Creator. Class time 9:30 to 11:30 a.m.

Wednesday, Feb.3 **ReUse-a-Bag …** **$25 + Pattern**
You can always buy a "green" bag at any store, but why not make one of your own? One that has a bit more "class" and personality! This is an easy sew project, complete with tips on putting in zippers. There will also be lots of tips for adding your own personality to your bag ☺! Class is limited to 8 machines, to sign up early. Class time 1 to 4 p.m. (Rescheduled from January.)

Sunday, Feb. 7 **Sunday Software Seminar** **$20**
There are a lot of different ways to play in 4D Embroidery Extra (and Vision and Organizer). Laptops welcome, but not required. Class time 1 – 3 p.m. **Please sign up at least 3 days in advance**.

Monday, Feb. 8 **Diamond Project Studio** **$25**
Everyone's going "green" these days … we'll follow the trend with an embroidered tribute to St. Patrick's Day. You'll put everything together at the machine, using many of the amazing abilities of the Designer Diamond. Limited to 12 machines – or you can observe and learn ☺! Class time is 9:30 a.m. to Noon.

Tuesday, Feb. 9 **More Ways to Play with Stitch Editor** **$20**
Sure, you can "edit stitches" with this section of the 4D Software, but there's lots of other ways to use it as well. There are lots of "hidden" abilities in this software. Class time is 9:30 – 11:30 a.m.

Monday, Feb. 15 **4D Pro & Accessories** **$20**
You may be familiar with 4D Extra, Design Creator and Stitch Editor, but what about 4D Font Digitizing and Stitch Artist? This class has a little bit of everything! Class time 9:30 – 11:30 a.m.

Tuesday, Feb. 16 **4D Sketch & Beyond** **$20**
There are lots of different ways to use 4D Sketch. And the program works very well with other segments of the 4D Pro software. See what you can create with just a sketch! Class time 9:30 to 11:30 a.m.

Tuesday, Feb. 16 **Photoshop Elements** **$20**
More ways to use layers, photos, frames, masks and photo adjustments! Class time 12:30 to 2:30 p.m.

Monday, Feb. 22 **Dakota Club – Scrapbook Stitches** **$25 + Disk**
The title says Scrapbook Stitches, but "sketchy" is a better way to describe these fun designs! As usual, the Club has lots of ideas for projects, but I'll be adding a few more, including a couple of ways to add backgrounds and embellishments to your embroidery ☺! Class time is 9:30 a.m. to Noon.

Tuesday, Feb. 23 **Exploring 4D Family Portrait** **$20**
There are lots of different ways to use this program, including turning photos and clipart into embroidery. We'll look at the basics and then go way beyond ☺! Class time 9:30 – 11:30 a.m.
