**Class Schedule**

**July 2010**

**Tuesday, July 6                      Digitizing Outside the Box                      \$20**  
4D Pro's Design Wizards allow you to easily create all kinds of designs. Add in a few of the "manual" digitizing tools, and you can quickly add your own personal touches! Class time is 9:30 – 11:30 a.m.

**Monday, July 12                      Designer Diamond Project Studio                      \$25**  
Multi-hooping with smaller hoops has usually been a necessity. Multi-hooping with the Designer Diamond hoops takes the process to an entirely new level – and with positioning, it's a whole lot easier! Designs will be provided in class. Class time 9:30 a.m. to Noon.

**Tuesday, July 13                      More Possibilities with 4D Extra                      \$20**  
4D Embroidery Extra may be just one single program, but there's nothing "single" about everything it can do! There's a lot to learn and discover. Class time is 9:30 to 11:30 a.m.

**Wednesday, July 14                      New Ways with Stencils                      \$25**  
Stencils and stencil "materials" have come a long way, with lots of new possibilities! You can even create your own stencils, working from photos. This "hands on" class can get messy, but it's lots of fun! Class time 9:30 a.m. to Noon.

**Monday, July 19                      Working with CrossStitch                      \$20**  
We'll explore more ways to create "hand look" stitches in 4D CrossStitcher. Class time 9:30 to 11:30 a.m.

**Tuesday, July 20                      Photoshop Elements                      \$20**  
There's always something new to learn in this program! Class time 9:30-11:30 a.m.

**Tuesday, July 20                      Sketch                      \$20**  
Learn more tricks and techniques for working with this 4D module. Class time 12:30-2:30 p.m.

**Monday, July 26 - Thursday, July 29                      CONVENTION 2010!**
